THE PARING

The Paring was born in 2006
out of a desire to explore,
experiment and excite—
without rules.

Made from the vineyard blocks that are either too young or don't fit into the vintage style of the highly acclaimed JONATA and The Hilt wines—The Paring is a cut of each estate. The Paring puts pedigree first, and then lets imagination take over. The grapes are sourced primarily from three Santa Barbara regions on the vanguard: Santa Ynez Valley, Sta. Rita Hills and Santa Maria Valley.

CHAMPAGNE
SAVART
PREMIER CRU

Frederic Savart is a fiercely individual Champagne maker making beautifully expressive, vivid and crystalline champagnes of *great depth and power.*

Their balance of vibrancy and flavour is utterly compelling and their scarcity is testament to their already high global demand. Savart returned to his family Domaine in the village of ecueil around 25 years ago, after toying with a career as a professional footballer.

Savart's grandfather had planted his first vines in 1947 and later passed his tiny property to Savart's father.
